## Delegation of Duties CLIA Laboratory Director to Clinical Consultant

As CLIA Laboratory Director, I delegate the following duties to a Clinical Consultant in \_\_\_\_\_:

1. Be available to provide consultation to the laboratory’s clients.
2. Assist the laboratory’s clients in ensuring that appropriate tests are ordered to meet clinical expectations.
3. Ensure that reports of test results include pertinent information required for specific patient interpretation.
4. Ensure that consultation is available and communicated to the laboratory’s clients on matters related to the quality of the test results reported and their interpretation concerning specific patient conditions.
5. DLMP Clinical Consultant Responsibilities are outlined at the following: [Department Consultant Responsibilities](#).
